RATIFICATION COMMITTEE**

EXPLANATORY NOTE

Subject: Algonquin Agreement-in-Principle Ratification Voter Enrolment Process
Posting of Preliminary Voters List

Preliminary Voters List

The Preliminary Voters List identifies all persons who have applied and are deemed eligible as Algonquin Voters. This List also identifies the Algonquin Community to which the Voter belongs, as well as the Voter's Algonquin Ancestor(s). Pikwàkanagàn members who applied are identified as Pikwàkanagàn members.

A copy of the Preliminary Voters List will be posted for review on March 31, 2011 at the offices of the Algonquin Negotiation Representatives in the nine (9) communities and at the Algonquins of Pikwàkanagàn Administrative Office. It will also be available online at <http://www.blaneyalgonquin.com/algonquin.html>.

Protests of Enrolment Decisions

Any Applicant who is unsuccessful in being enrolled as an Algonquin Voter can protest against the omission of his or her name from the List. In addition, any person who is on the Preliminary Voters List may also protest the inclusion of the name of any other person on the List.

Protests must be submitted in writing to the attention of the Algonquin Agreement-in-Principle (AIP) Ratification Committee. The following materials must accompany your protest:

- Date of your Submission
- Reason(s) for your Protest
- Documentation to Support your Protest
- Your Signature
- Your Mailing Address and Telephone Number to ensure that you can be contacted

Protests may be submitted by mail or courier to the above-noted address. Your protest must be received by the Committee by **no later than 4 p.m. on April 30, 2011.** Protests received by the Committee after this date will not be accepted.

The Algonquins of Ontario have established a Review Committee to consider and make decisions on all protests. The Review Committee is made up of a panel of Algonquins, any three (3) of whom can render a decision. The Ratification Committee will refer all protests, including all relevant information, to the Review Committee for their consideration.

A panel of the Review Committee will review protests and may reject the protest; determine that further information or evidence is required to determine the protest; or convene a hearing into the protest. Persons affected by the protest will be given notice of the Review Committee's decision, including the date, time and place for any hearing. The Review Committee can only overturn a decision of the Ratification Committee to accept or reject an Applicant where it finds that the Ratification Committee has made a palpable and overriding error; the decision of the Ratification Committee was affected by fraud; or new evidence is now available that was not available to the Ratification Committee.

Decisions on protests will be made by the Review Committee by June 8, 2011.

Update on Timing of AIP Ratification Vote

The timing of the Algonquin Agreement-in-Principle Ratification Vote will depend on the achievement of an Agreement-in-Principle. While the parties continue to make progress at the negotiation table, the work is taking longer than they had originally anticipated. Negotiations on the Agreement-in-Principle are ongoing and the Algonquins of Ontario, Canada and Ontario are working diligently to achieve it.

If you have any questions, please do not hesitate to contact the Algonquin AIP Ratification Committee Office at 613-629-8683 or Toll Free at 1-855-629-8683.

Yours truly,

A handwritten signature in black ink, appearing to read 'Sarazin', written in a cursive style.

Laura Sarazin
Chairperson, Algonquin AIP Ratification Committee
